Department of Genetics
Stanford University School of Medicine
Palo Alto, California 94304

Dear Joshua:

Thanks so very much for your
warm note. It was a particular pleasure
to hear from you, as our paths have
not crossed for some time. I am cer-
tainly looking forward to this some-
what cryptic assignment. I hope to
find out more about it in the months
ahead.

THIMANN

Yours sincerely,

Kenneth V. Thimann
